

# ADVERTISE IN THE 2008 THANKSLIVING PROGRAM!

**Our massive event sells out every year. 250 people pay \$75+/head and drive hours for a gourmet vegan meal: these are folks who take their food philosophies very seriously!**

**Attendees come from Connecticut, New Jersey, Massachusetts, Vermont and all over New York, and the program is made available to the general public afterwards as a downloadable pdf. Please inquire about event sponsorship and in-kind opportunities, and check out last year's program at [www.WoodstockSanctuary.org/2007program.pdf](http://www.WoodstockSanctuary.org/2007program.pdf)**
